Upgrade Your Presentations

**Your presentation has to
grab attention**

**Your slides have to
look professional**

**Your story has to
move your audience**

A close-up, slightly blurred photograph of a computer keyboard on a dark desk. In the background, a warm, glowing light source, possibly a lamp, creates a soft, out-of-focus glow. The overall color palette is dark with a strong blue/cyan tint, except for the warm light in the background.

**It is time to upgrade
your presentations**

We offer **3** services

Story Upgrade

Fresh presentation with
a new story & slides

Slide Upgrade

Visual makeover of your
existing slides

Team Upgrade

Improve presentation
skills of your team

Mayank loved his investor pitch deck

He is the founder of eVanik, a SaaS start-up

*I am delighted with the presentation deck... **The deck has helped me in getting immediate audience attention and has also brought clarity to my mind.***

Shreya liked her pitch deck makeover

She is the CEO of FlexiBees, a firm which helps you hire talented women flexibly.

*We wanted to get our deck visually revamped, and Vivek and team did a great job. **The visuals were just right, and elevated our presentation several notches.***

We've made dozens of decks for Kunal

Product decks, sales decks, corporate profile, and internal training decks. His firm Onsitego is India's leading device protection company selling extended warranties and damage plans.

Vivek is a very good story teller. He is able to get into the nuances of a story and communicate that effectively to an audience.

Increff employees loved their training

9.1/10

average rating for the workshop

His expertise in communication and presentation skills has led to a remarkable 10x improvement in our employees' abilities.

- Sanchita Gupta
